

About the Speaker: Izak Bester

Izak Bester was divinely sent from South Africa with a prophetic message from God to prepare the United States for a great coming move of His Holy Spirit. He is the President and Founder of Eagle Christian Ministries International, Ltd.

Rev. Bester ministered extensively in the Church, home groups, and in the business community for more than 20 years. He served as an Associate Pastor of a 17,000-member church where he played a key role in the establishment of evangelism programs, outreaches, and churches. He was lecturer at a Bible School for seven years, where he raised up pastors, evangelists, and laity. Izak held several top management positions with large corporations and started/ran several businesses of his own. His experience and expertise has enabled him to minister effectively to both the church and to the corporate world. He is called and anointed to bring the Word of the Lord to nations, governments, churches, and individuals. Izak has ministered extensively across the USA to clergy, churches, home groups, corporations, businesses, and individuals. He often sees the Holy Spirit move in great power, with miracles of healing and people being set free from oppression to serve the Lord with joy and freedom.
